At the beginning of the day, they brought many sick people to Yeshua.

Yeshua laid His hands on the sick.

The sick people they brought in all had the same diseases.

Yeshua also cast out many demons from the sick.

Yeshua did not let the demons speak because they knew Him.

## Yeshua heals a leper

This leprous man begged Yeshua for healing, Yeshua healed him, but then did not obey Yeshua's instruction not to tell anyone about his miracle. How many times do we receive from Yeshua what we desire, but then forget to do what He wants?

## Yeshua heals a paralyzed man in the pool

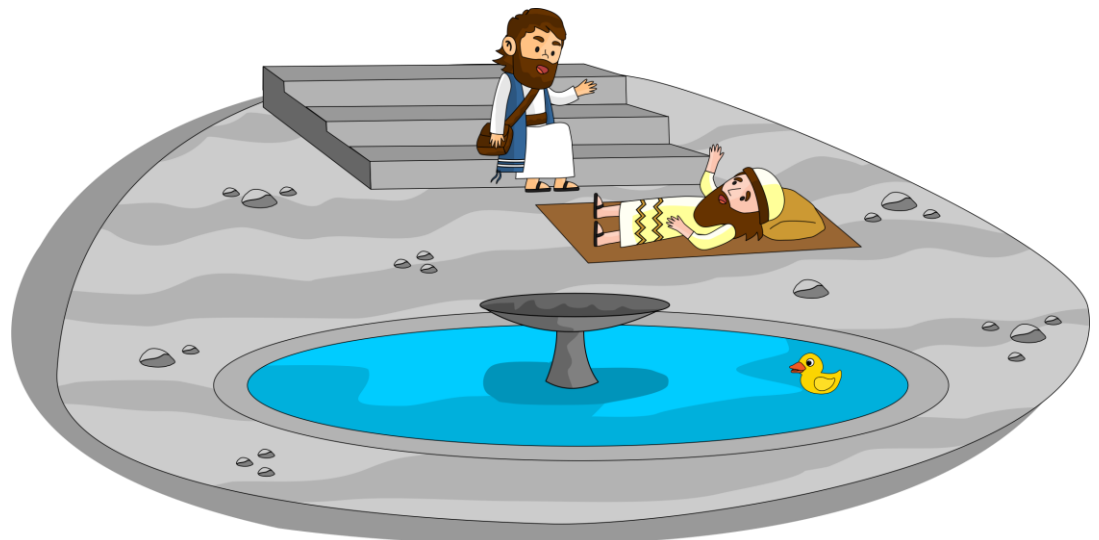

This story is similar to that of the man with leprosy who, once healed, did not follow Yeshua's instructions. The story does not tell us that Yeshua told him not to tell anyone, but by telling him not to sin any more, he meant not to betray him to the Pharisees who sought to put Yeshua to death.
