Mem

The letter Mem, can be pronounced as an "M"
example: Mother.

Handwriting practice section for the letter 'M'. It features a large 'M' at the bottom left with a cartoon face. The main area contains ten rows of dashed 'M's for tracing. The first row includes a solid 'M' with numbered arrows (1 and 2) showing the stroke order: a vertical line down on the left, a diagonal line down from the top left to the center, and a diagonal line down from the top right to the center.
