With the help of an adult, read from the Scriptures  
**Numbers (Bamidbar) 11:17-35**

Color the circle with yellow if the statement is correct and with brown if it is false.

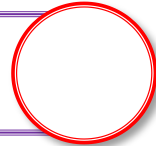

Yahweh told Moses that he would give the 70 men the Spirit that was in him to help him lead the people.

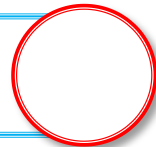

The people complained, saying, "Who would give us meat to eat, we were better off in Egypt."

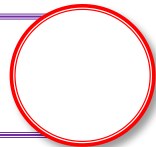

Then Yahweh said that he would give them meat for 1 day, and they would eat it until they hated it.

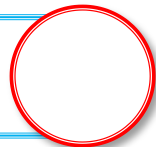

Moses thought that to give meat to the people they should go fishing.

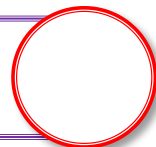

Moses did not want Eldad and Medad to prophesy in the camp.

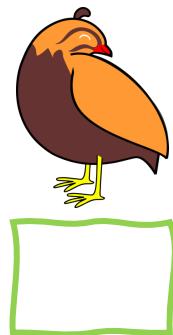

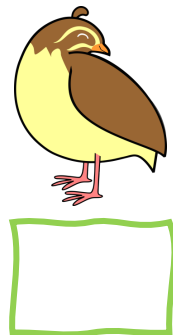

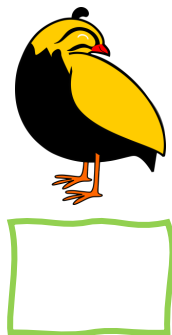

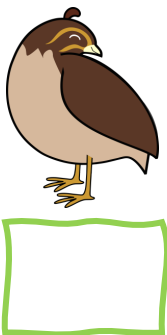

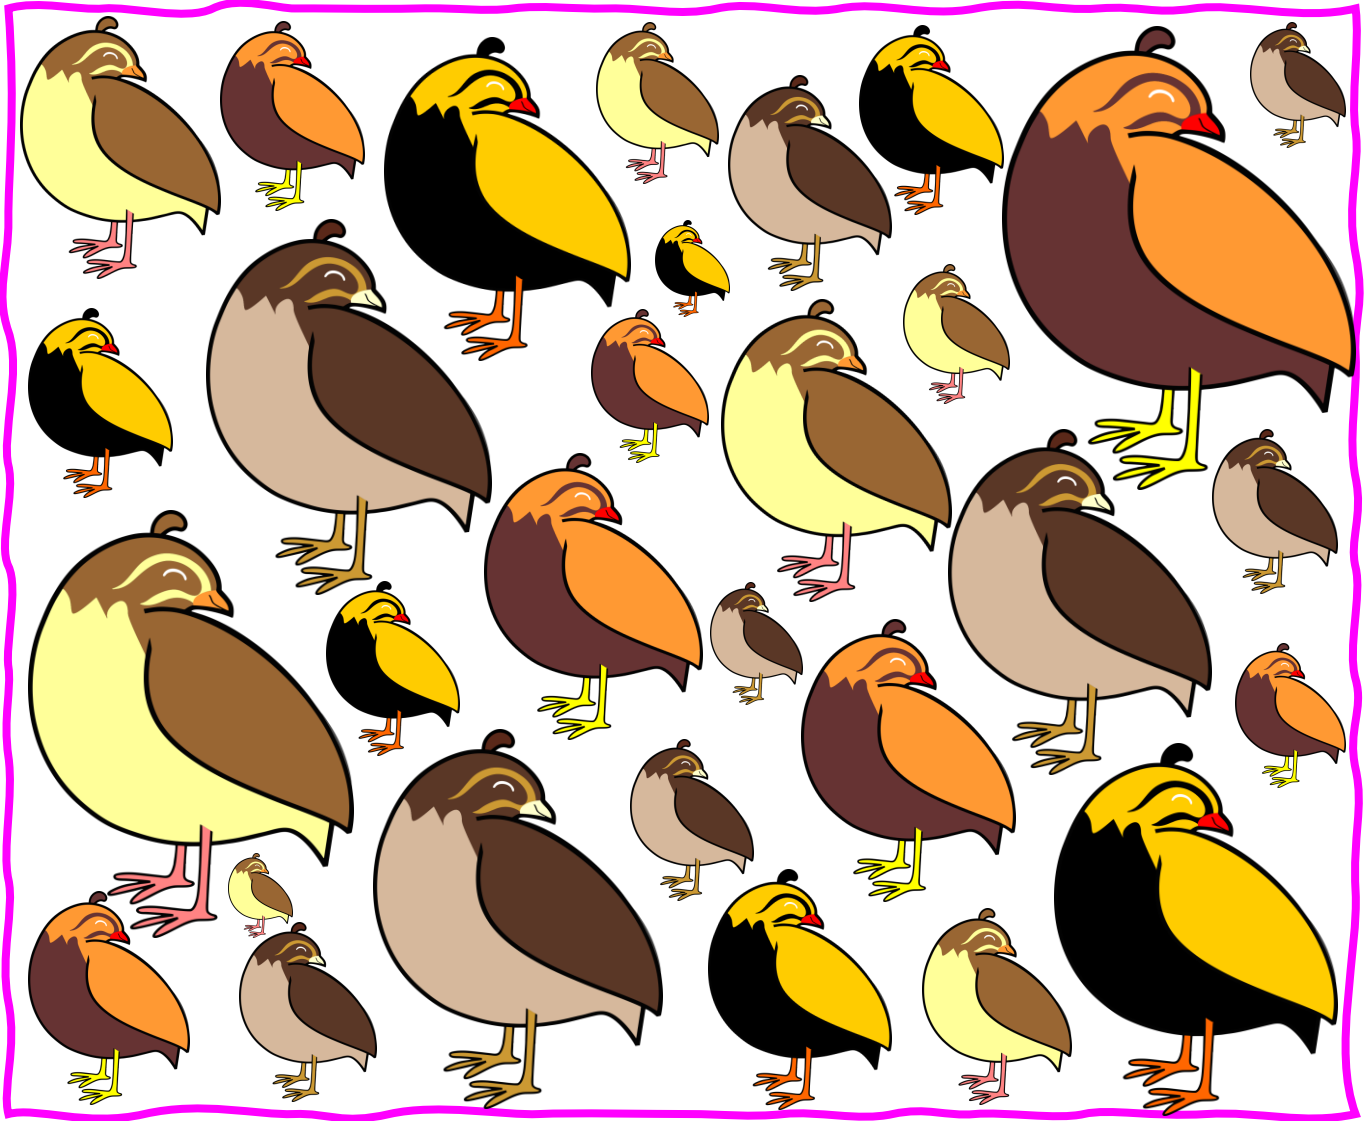

The meat that Yahweh sent to the people was quail.

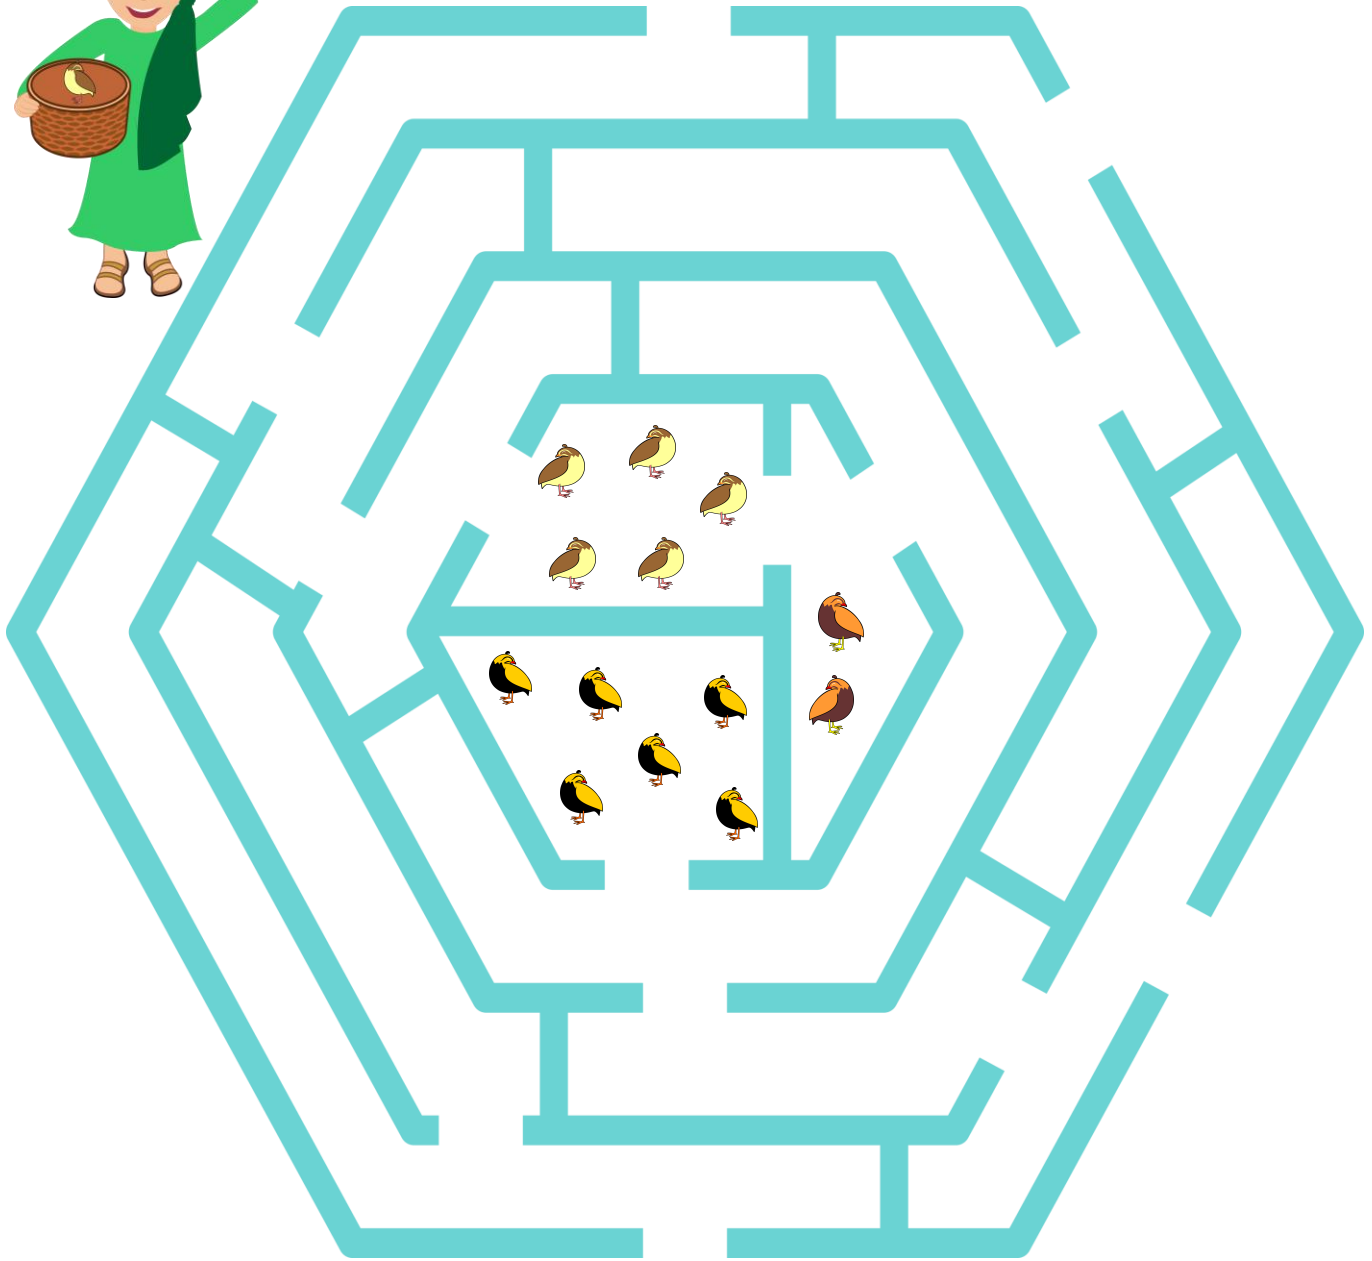

Yahweh was very angry with them and in punishment sent a plague.

In the image soup, count how many quail of each color there are and put the number in the box below each sample.

Help the woman find more quail before they fly away.

LET'S MEMORIZE

Cut out the rectangles and then look at the sample and assemble your puzzle.
