Beit Sefer

He

La letra He, puede pronunciarse como una "J suave" ejemplo: Aguja.

Handwriting practice grid for the Hebrew letter 'He'. It consists of 10 rows. The first row contains a large 'He' with stroke order arrows: '1' for the vertical line and '2' for the horizontal top bar. The remaining rows are filled with dashed 'He' characters for tracing. At the bottom right of the grid, there is a large, colorful 'He' with a smiling face and eyes.

Vav

La letra Vav, puede pronunciarse como; "V" ejemplo: Ver, vaca.

Handwriting practice section for the letter Vav. It features a grid of 10 rows. The first row contains a solid black 'V' with a red arrow indicating the downward stroke direction. The following rows contain dashed 'V's for tracing. The final row contains a solid orange 'V' with a cartoon face, identical to the one in the top left.
