Beit Sefer

# Kaf

The letter Kaf, can be pronounced as a "K"  
example: **Key**.

Tracing practice for the letter Kaf. The first row shows a solid Kaf with stroke order arrows: 1 (downward) and 2 (upward and rightward). Below are several rows of dashed Kaf letters for tracing, each with a central dot. A large green Kaf with a cartoon face is at the bottom right of the tracing area.

# Lamed

The letter Lamed, can be pronounced as; "L"  
example: Lamp.

Handwriting practice section for the letter Lamed. It consists of ten horizontal rows. The first row shows a solid black Lamed with a red arrow and the number '1' indicating the starting point and direction of the stroke. The following nine rows contain dashed Lamed characters for tracing. A yellow cartoon Lamed character with eyes is positioned at the bottom right of the tracing area.
